Autumn 2015 Newsletter

## NEW AUDIOLOGIST

**We welcome  
Dr. Andrea Markway  
to HHCH!**

Dr. Markway specializes in pediatric and adult cochlear implants and has experience in rehabilitation and vestibular testing.

Dr. Markway is originally from Quincy, IL but has since lived in New York City, Louisiana, Washington, D.C. metro area and even Madrid, Spain.

She enjoys walking, cycling along Houston's bayou trails and exploring all that Houston has to offer. As a new Houstonian, Dr. Markway is always looking for restaurant recommendations!

*Dr. Andrea Markway, Audiologist*

## LET'S CELEBRATE - EIGHT YEARS IN PRACTICE!

The Hearing Health Center of Houston, a division of SpeechPath Associates, Inc. is proud to have completed eight years of serving the Houston community. Hearing Health Center of Houston (HHCH) evaluates hearing sensitivity and offers the following rehabilitative options:

- Hearing Aids
- Cochlear Implants
- Tinnitus Management
- Custom Noise/Swim Earplugs
- Bone-Anchored Hearing Solutions
- Assistive Listening Technology

## HAVE YOU HAD YOUR ANNUAL HEARING EVALUATION?

Contact us! 713-942-8205 or [info@hearinghealthhouston.com](mailto:info@hearinghealthhouston.com)

## WE THANK YOU FOR TRUSTING US WITH YOUR HEARING CARE NEEDS.

### WE APPRECIATE YOUR BUSINESS!

---

*"I love how my profession has developed!  
Today's hearing aids allow me to improve  
hearing in addition to connecting my patients  
to the phone and TV – wirelessly!"*

*– Dr. Ross Tonini*

---

## ANDREA MARKWAY, AU.D., CCC-A, AUDIOLOGIST

Dr. Markway earned her Honors Bachelor of Science in Communication Sciences and Disorders from St. Louis University in St. Louis, MO and her Doctorate of Audiology from Washington University School of Medicine in St. Louis, MO (2011). She is certified by the American Speech-Language-Hearing Association and is a fellow of the American Academy of Audiology. She is a seasoned clinician with experience working in a variety of clinical settings.

### WHAT'S NEW IN HEARING AID TECHNOLOGY?

#### - IT'S CONNECTIVITY!

Gone are the days of fussing with small buttons and dials on your hearing aids. Instead – adjusting your hearing aid volume and programs are as simple as checking your iPhone or new Apple Watch!

With ReSound LiNX<sup>2</sup>'s newest technology, you can zoom the microphone in the direction you want!

Connect with Smartphones, tablets and even the television!

### CALL TODAY TO SCHEDULE A FREE DEMO OF THIS NEW TECHNOLOGY.

Best Wishes,

Sunita Kavrie, Ph.D.

Ross Tonini, Au.D.

Andrea Markway, Au.D.
